

Welcome Back Students!

Walk-Thru Registration Information Below:

All students going into 9-12th grade at Catalina High School, should come to one of Catalina's Walk-Thru Registration events in the Hines Gym. Catalina students **MUST** be physically present to complete the Walk-Thru Registration process, and they may come with or without parents/guardians, provided the **Online Registration** is completed and all required documents (Birth Certificate, Immunization Records, Parent/Guardian ID and Proof of Residence) have been submitted. *If you still need to complete the online registration, computers and help will be available.* If you have documents that need to be submitted, please bring them with you so that we may upload them to your StudentVue account. Parents/Guardians are strongly encouraged to attend with their student(s).

At Walk-Thru Registration we will confirm that students have completed online registration, and they will get information regarding school services and resources, transportation, school fees, IDs, and schedules. You will also have opportunities to make appointments with counselors if necessary. We will have information tables set-up that feature Athletics, School Activities, Extracurricular Activities, and District & Community Organizations.

***Students who kept laptops over the summer will need to bring those with them to be checked-in and exchanged for an updated one. Students who do not have any laptops checked out to them will be able to check one out for the school year.**
