Good Afternoon Catalina Parents and Guardians.

Thank You for attending our School Open House and Title I Meeting. We hope you enjoyed the opportunity to see your student's classrooms and meet their teachers and school administrators. We hope you enjoyed getting to hear about some of our school policies as well as the many resources and programs available to your students.

Attached is the Catalina Student Handbook that was mentioned during Open House. Please read through it so you can become familiar with policies at Catalina.

We would also like to make sure you have access to the TUSD Code of Conduct which was mentioned as well. Please read through it so that you are familiar with TUSD behavior guidelines and discipline as it may relate to your students.

One more thing—As teachers are getting to know students they are making recommendations for some students to take honors classes due to their high academic potential. If a teacher makes that recommendation, your student may be asked to give counselors permission to change their schedule and place them in such classes. Please have patience as we finalize these changes.

If you have any questions, please feel free to reach out to me by [emailing me, Dr. Norma Gonzalez](#)
