- II. AVID Block Party- Friday, April 25th 5-7pm
For Arroyo-Chico Region
Staff will help with activities and community programs that attend. Families from 4 schools are invited.
- III. Family Engagement Survey
 - Contacted 10 parents guardians (diverse) to see if they would be interested in being part of our focus group. 1 responded, the rest did not.
 - I think we should send out Forms or Survey Monkey short survey to parent/guardians with a couple of questions.
 - *How do you prefer to get information about upcoming school events and activities? (Email, Text Message, Phone Call, Paper Flier)*
 - *How do you prefer to be communicated with if your student is struggling with their grades or behavior? (Email, Text Message, Phone Call, Home Visit)*
 - *What time works best for you to attend Parent Teacher Conferences? (Morning 7am-9am, Afternoon 3pm-5pm, Evening 5:30pm-7:30pm)*
 - *What time works best for you to attend school information events or "Coffee with the Principal?" (Morning 7am-9am, Afternoon 3pm-5pm, Evening 5:30pm-7:30pm)*

The team agrees that sending out a survey to a select group may best elicit some answers to the questions without influence over their answers.
- IV. Next Year
 - Need academic departments to own actual curriculum related events
- V. Adjourn 5:12pm
